Grant Activities & Measurement Chart

NOTE: This draft chart is an opportunity to collect information from organizations and collaborate on a potential partnership together.

Please keep in mind that receipt of this chart is not a guarantee of a grant recommendation. If you have any questions, please don't hesitate to contact us.

Please complete the following table, including what activities you would undertake as a result of our potential partnership and how you would measure success in service of the inquiry focus below; add as many or as few as needed.

If we have discussed a potential grant as being for general operating support, please refer to goals discussed in prior conversations with the Siegel team and/or organizational goals that are aligned with our inquiry focus.

Draft Learning Question(s)Please refer to your Request for Information form on GivingData and input the learning question(s) below.

Anticipated Goals	Anticipated Activities	Anticipated Metrics	Measurement Narrative	Connection to Inquiry Focus
What would this grant support you in achieving?	Anticipated Activities Please state the specific activities you would plan to undertake as a result of this grant in order to	What evidence (quant and/or qual) would you	How would you gather the relevant data? How	Connection to Inquiry Focus How would the listed activities and measurements
What is the broader change/impact you hope to	to undertake as a result of this grant in order to	collect to show the effectiveness of your activities,	How would you gather the relevant data? How would this data show the effectiveness of the listed	connect to and advance
bring about?	achieve your goals.	and what would be the associated target metrics?	activities and progress towards your goals? What would you do with the information?	our inquiry focus?
